

Build Toronto is Toronto's innovative real estate and development corporation. Based in one of the fastest growing regions in North America, **Build Toronto** will generate revenues for the City by maximizing the value and economic development potential of properties under its management.

Build Toronto began operations in 2009 as part of the City of Toronto's strategy to enhance Toronto's economic competitiveness. Closely aligned with the City from a public policy perspective, it will also act as a catalyst for the development of infrastructure and sustainable services in Toronto while stimulating the creation of jobs, regenerating neighbourhoods, and undertaking high quality, environmentally sustainable developments. **Build Toronto** partners with private and public sector partners and operates at arms-length from the City, its sole shareholder.
